Group Membership

This will be determined from the overall turnover of the Group of Companies with the first company paying 100% of the fee, the second company a reduced fee of 50%, the third a reduced fee of 25% etc.

Turnover for subsidiary companies : Subsidiary companies must be a separate legal entity to parent or sister companies in order to identify a separate turnover fee.

All Members must complete an annual renewal form and submit further documentation where this is required, all of which will remain confidential to the CEO on behalf of the Executive Committee

There is an initial joining fee of £200 per member which is payable on application.
